### 2016 SUMMIT OBJECTIVES

<table>
<thead>
<tr>
<th>1. To set the Table with Greater Miami Civic Showcase examples</th>
<th>4. To consider civic models and lessons from elsewhere</th>
</tr>
</thead>
<tbody>
<tr>
<td>2. To review sector perspectives on why civic advance is important now in Greater Miami</td>
<td>5. To consider the current civic infrastructure and capacity, envision, identify strategies and test support for a successful One Table in Greater Miami going forward</td>
</tr>
<tr>
<td>3. To take stock of what we know about civic health and consider ways to measure it in Greater Miami</td>
<td>6. To clarify commitments and next steps</td>
</tr>
</tbody>
</table>
“Civic advance is multi-sector collaboration that seeks to accelerate civic improvement and harness civic engagement to enable communities to prosper.”

- Florida Civic Advance

Civic engagement and volunteering is the new hybrid health club for the 21st century — it’s free to join and miraculously improves both your health and the community’s...

- Harvard Kennedy School, Saguaro Institute
GREATER MIAMI CIVIC ADVANCE

WHY NOW? WHY BOTHER?

• The Miami Metropolitan Statistical Area (MSA) ranks the worst in the nation for measured levels of civic involvement.

• Civic involvement is a key indicator of quality of life and of economic prosperity, with a direct influence on job creation and opportunity, economic redevelopment, and unemployment rates.

• Communities with strong civic involvement are more vital, resilient and successful.
GREATER MIAMI CIVIC ADVANCE

BUT IT’S A HARD CONVERSATION

The work of this table will be hard as they will address changes and grapple with the resulting tensions, constructively address disagreements and figure out together a shared path forward.

The 2016 Summit is the culmination of a series of planning and brainstorming conversations convened by the Alleghany Franciscan Ministries this past year including leaders and changemakers from public, private and non-profit civic, educational and philanthropic organizations.
2016 Summit

WHY IS CIVIC ENGAGEMENT AND ADVANCE IMPORTANT NOW FOR GREATER MIAMI?

2016 SUMMIT

ADVANCING THE GREATER MIAMI CIVIC INFRASTRUCTURE

Table Rounds- ASSESSING GREATER MIAMI’S CIVIC CAPACITY

• What mechanisms for civic participation are currently missing in Miami?
• What assets should be leveraged?
• What recalibration of roles between the public, private, and philanthropic sectors may be needed to build a more effective civic infrastructure in Miami?
2016 SUMMIT
MODERATED DIALOGUE:
ADVANCING THE GREATER MIAMI CIVIC INFRASTRUCTURE

Table Rounds--A VISION OF SUCCESS

• What would success look like if we invested in improving Greater Miami’s civic infrastructure and created a multi-sector table?
• What would each sector be doing differently?
• What will it take to develop a multi-sector shared vision of civic success?
GREATER MIAMI CIVIC ADVANCE
IMAGINE ONE TABLE THAT:

- Tackled and addressed the issues underlying Greater Miami’s low civic standing
- Enhanced our collective civic capacity to solve threshold community issues
- Provided a platform where the non-profit, public and private sectors can work together to enable civic engagement, service, innovation and collaborative leadership
- Improved economic health, good governance and the quality of life in Greater Miami communities.
GREATER MIAMI CIVIC ADVANCE

The One Table Vision

• Convene diverse representatives from the public, private and non-profits sectors to forge a vision of civic success
• Craft a meaningful and lasting collaboration to advance civic engagement goals and strategies in our community.
• Build on successful civic advance examples in Miami and elsewhere, consider winning strategies for aligning local approaches and activities
• Create an ongoing platform (i.e. One Table) for civic reflection, information and tool sharing and the promotion of collective impact collaboration for civic advance throughout Greater Miami.
Table Rounds—How Do We Do It?

What might a new One Table civic institution look like in Greater Miami?

What lessons learned from different models and cities in today’s sessions should we apply to Greater Miami?

What should a One Table do? What tasks make sense?

What design criteria and principles should we consider in creating a multi-sector civic One Table? (e.g. governance, diversity, funding, organizational base, etc.)
2016 SUMMIT
ADVANCING THE GREATER MIAMI CIVIC INFRASTRUCTURE

Should we create and support a multi-sector One Table in Greater Miami for civic advance?

2016 SUMMIT
NEXT STEPS AND COMMITMENTS

What commitments and investments will individuals and organizations in the nonprofit, private and public sectors make to advance the One Table effort?

What’s next?
